

**Please check the following list before you submit your Master thesis
in 3 copies to the Study and Examination Office!**

- Your thesis should not exceed a maximum of 80 pages
- Your front page includes all contents that are listed in the example http://www.bio.uni-jena.de/biophamedia/Studium/Dokumente_Antragsformulare/Thesis_Deckblatt-download-1.pdf
- Your thesis includes a signed declaration of academic integrity to be downloaded here: https://www.hanfried.uni-jena.de/?medialist=vhbmedia%7Cde%7C25927&medialist_path=1%7C4#block_body_1.
In addition, your examiners have the option of authorising certain AI tools for your thesis. For this purpose, there is a declaration of permitted resources (download at link above), which must be signed by all examiners involved if the use of certain AI tools is permitted. The original version of this declaration has to be submitted together with the thesis. In addition, a copy of the signed declaration of permitted resources must be included in the thesis directly behind the declaration of academic integrity.
- Your thesis includes a German summary
- You have prepared micro SD card (to be submitted in a sealed envelope labelled with name, matriculation number and degree programme) that includes your thesis in a readable file format
